

COVID-19 Safety Plan

Use this form to document your thinking about how you and others will keep safe at your activity during the COVID-19 pandemic and operating within the Covid Protection Framework (CPF). Provide as much information in response to each question as possible. This information will help those working, volunteering, or attending your activity to know exactly what to do and what to expect.

The COVID-19 pandemic is an evolving situation – review your plan regularly and make changes as required. There is guidance on what to think about when working under the CPF: <http://www.worksafe.govt.nz/> and [COVID-19 Protection Framework | Sport New Zealand - Ihi Aotearoa \(sportnz.org.nz\)](https://www.sportnz.org.nz/)

Please submit this document along with your Health and Safety plan for your event no later than 6 weeks prior to the start date of your event

	DESCRIBE WHAT YOU WILL DO:	WHO IS RESPONSIBLE:
How will you manage the risks of operating your activity under the CPF at Orange?	<p>Pre-Activity: ONZ and the organizing clubs will, if necessary, update Schools if the New Zealand Government changes from the current Orange Traffic Light framework. They will also make decisions in the event of cancellations including refund policies.</p> <p>ONZ and the organizing clubs will, on their website and by other communications, set out the New Zealand Government framework to ensure that all schools participating adhere to the government recommendations.</p> <p>ONZ and the organizing clubs will communicate with the other major stakeholders should there be a change in the Covid-19 framework which negatively impacts on the event.</p> <p>During Activity: As the venue is open-air, there is no need to take any specific precautions other than to encourage everyone to carry out good health behavior and avoid congested gathering spaces.</p> <p>Post Activity: We anticipate that NZSSAA will be surveying schools to obtain their feedback relating to our Covid 19 protocols. ONZ is also expected to provide a report to NZSSAA following the event. This report will include a Covid 19 section.</p>	Event Controller
How will you ensure all workers, volunteers, and attendees are able to keep themselves safe from exposure to COVID-19?	<p>Vaccination Passports: Vaccination passports are no longer required and therefore will not be requested.</p> <p>Hygiene: Hand sanitiser will be provided at areas used by officials and volunteers. Hand sanitizer, hand washing facilities will also be provided in each portaloos. Regular inspection will be made of the portaloos to ensure they remain clean and hygienic throughout the event.</p> <p>Contact tracing: As contact tracing is no longer required, there will be no facility available to record your attendance at any of the venues.</p> <p>Spectators: Spectators at the event will be encouraged to maintain Covid 19 good health behaviour throughout the event.</p>	Event Controller

COVID-19 Safety Plan

	DESCRIBE WHAT YOU WILL DO:	WHO IS RESPONSIBLE:
<p>How will you manage an exposure or suspected exposure to COVID-19?</p>	<p>Schools will be required to monitor their team's health and unwell participants are required to stay away. Confirmed cases and Close Contacts (as per Government definition) will be required to exit the event immediately. The team management is required to contact Healthline.</p> <p>Officials showing symptoms must stay away while symptomatic.</p> <p>If there is an outbreak (multiple cases), ONZ and the organizing clubs will communicate appropriately with all participants through social media and signage. The Event Organisers will also ensure that all Covid 19 protocols are met.</p>	<p>Event Controller</p>
<p>How will you check to see if your work processes and risk controls are effective?</p>	<p>We will monitor the Covid 19 environment leading up to the event and make any appropriate changes if they are needed.</p>	<p>Event Controller</p>
